

Single Hung Window

The Serene retractable window screen is picture perfect on single hung windows. Mounted outside - and out of sight - the subtle and sleek Serene supplies insect protection and complete ventilation without blocking the view. With its easy-to-grip handle, contoured housing, built-in track latch system, and new mesh retention system to keep the screen in place in windy conditions, the Serene is designed with smooth operation in mind. There when you need it and not when you don't: no other window screen is as stylish, versatile and functional.

Product Specifications

Features

The Serene retractable window screen is stylish, functional and extremely versatile. Our high standards of quality and professional service ensure a lifetime of worry-free operation.

- The most effective and attractive screening solution for windows.
- Remains out of sight until needed, so you can enjoy the view.
- Provides protection from insects, pests and UV rays.
- Ultra-sheer fiberglass mesh, coated with PVC, ensures full ventilation and durability.
- Revolutionary constant tension spring keeps the mesh taut and in the track.
- New mesh retention system to keep the screen in place in windy conditions.
- Innovative new track latch system holds the screen securely in place.
- Consumer driven design and style.
- Ergonomically designed handle for comfort and ease of use.
- Installed by factory-trained professionals.
- Limited lifetime warranty supplies additional peace of mind.
- Adapts to fit most window applications, including out-swing, in-swing, awning, hung, slider and tilt'n turn styles.
- Backed by Phantom, the leading provider of retractable screen solutions.

Components

The Serene's high-quality components ensure years of trouble-free operation.

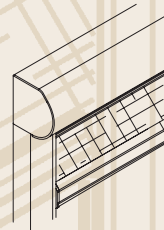

- Slide bar, housing and track system made from high quality extruded aluminum.
- Baked on acrylic finish resists fading and chipping.
- Sturdy, UV resistant nylon fittings.
- Fiberglass mesh, coated with PVC, for enhanced durability.
- Built-in handle and latching mechanism.

Sizes

The Serene retractable window screen fits a variety of window applications.

Style	Width	Pull Length
Serene	13½" to 72" w*	Maximum 78"*

* Not all mesh options are available in all sizes.

Colors

Serene Screens come in a variety of popular designer colors, as shown below, to match the décor of most fine homes. And now, thanks to advanced color-matching technology, Serene Screens are also available in virtually any color, through our Custom Color Program. We also offer the possibility of color-matching tracks, screws, handles and other components with every custom color order.

Classic White

Slivered Almond

Sandal Wood

Driftwood Beige

Rideau Brown

Phantom Black

*While every effort has been made to reproduce the actual color of the product, variations may occur in the brochure production/printing. These color samples are to be used as a general color guide only.
