LOCATION:	Langley, British Columbia
HOUSE STYLE:	Contemporary
PHANTOM PRODUCTS:	Phantom Retractable Door Screens with Mesh Lock
MESH TYPE:	1814 Insect Charcoal,
PHANTOM DISTRIBUTOR:	Phantom Screens Lower Mainland
NEED:	Stephanie knew she wanted a Phantom screen added to her home but wasn't sure where to start. While focusing on the decorating and organizing her new home, the last thing she needed to worry about was bugs, and installation.
SOLUTION:	The experts at Phantom Screens Lower Mainland were able to walk Stephanie through all the options and specs of a new door screen. Finding the perfect screen was a team effort that ended in seamless integration.

"The team was so helpful! I had no idea there were so many options, but they made it so easy to understand.

OVERVIEW

Iain and his team at Phantom Screens Lower Mainland were able to show Stephanie all the possibilities and options that would work, not only to her home, but to her lifestyle too. From color swatches to mesh types, he was able to walk her through all her options to fit her and her home's needs. Once the decisions were made her screens were custom made and installed by the pros so there was no concern for tools, mess, or stress.

The result? Beautiful and functional door screens that fit seamlessly with Stephanie's new home design. There when she needs them and out of sight when she doesn't. Your home is uniquely yours and we're here to help you enjoy it to its full potential.

APPLICATION HIGHLIGHTS

Customizable Comfort for Any Space

Fits Your Vision: We craft custom screens to perfectly match your outdoor area, regardless of size, color, or material.

Control the View: Choose from a variety of mesh and fabric options for privacy, solar protection, fresh air, and of course, bug protection.

Industry-leading Warranty & Professional Installation: We stand proudly behind our stance on "never DIY, always WDIFY" (we do it for you). We know what we're doing, we've had over 30 years to work out all the bugs (literally).
