

## Phantom Screens introduces the next generation of retractable screening solutions

As an industry leader recognized for innovation, Phantom Screens is pleased to introduce the Next Generation of retractable screens that offer a future-ready solution for endless indoor and outdoor enjoyment.

Abbotsford, BC, January 13, 2026 – Award-winning Phantom Screens unveils the Next Generation of motorized screens. This innovation sets new standards with unmatched performance and durability, industry-leading reliability, and an expanded product line engineered to meet the evolving needs of homeowners, designers, and builders worldwide.

This launch marks a new era in motorized screen technology. Yet again, Phantom is pushing the boundaries of what is possible for the screening industry.

**Curious if the Next Generation of Phantom Screens is the right addition to your home or project? Here are compelling reasons why it's worth considering:**

1. **Perfectly Designed for Your Home:** Get ready for a sleek, hassle-free way to elevate your home. The next generation includes Sure Fit, our new self-adjusting tensioning track system, which delivers a smooth, wrinkle-free surface while keeping all hardware discreetly hidden.

2. **A Minimalistic Design + No Visible Screws:** No one likes the look of bulky bolts, nails, or visible screws, so we designed a track system that's as seamless as possible. The focus should be on the home's design, not the unsightly pieces holding it together.

3. **Self-Adjusting Technology:** When it comes to maintenance and service, we have you covered. Our easy-to-use motorized screens with Sure Fit Track are always at optimal tension, no matter the weather, environment, or situation.

4. **Compensates for Vinyl Shrink:** Say goodbye to frustration with vinyl shrinkage cooler weather with the help of our Sure Fit technology. Your vinyl now stays exactly where you need it.

5. **Recessed or Surface Mounted:** No matter the surface, Phantom works with your space so that it will look fabulous. Recessed or surface-mounted, we have options that fit perfectly into your home décor.

With the push of a button, the Next Generation of Phantom Screens offers unparalleled comfort and functionality. Enhance your life one screen at a time.

Phantom's new product is now available through our authorized distributor and dealer network. For more information, product specifications, and to explore customization options, visit [www.phantomscreens.com](http://www.phantomscreens.com).
